PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or repeated skin contact may cause allergic reactions in some individuals.

First Aid

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-800-645-4957 for emergency medical treatment advice.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

Questions or Comments? Call 1-800-645-4957 or visit our website at www.EcologicLiving.com

NOTA: Hasta el grado que sea compatible con la legislación pertinente, el comprador asume toda la responsabilidad para seguridad y uso que no estén de acuerdo con las instrucciones.

ALTO. Lea toda la etiqueta antes de usar.

— MODO DE EMPLEO —

Agite bien antes de usar. Rocíe abundantemente en toda la planta cuando las malezas y pastos están creciendo activamente. Para obtener mejores resultados, aplique a pleno sol con temperaturas superiores a los 60°F. No permita que el rocío gotee, salpique ni pase a la vegetación deseable. Aplique otra vez si vuelve a crecer. No aplique este producto si las abejas u otros polinizadores están volando por la zona de tratamiento.

— ALMACENAMIENTO Y ELIMINACIÓN —

Almacenamiento: Guarde en su envase original, en un lugar fresco y seco que no sea accesible a los niños y a las mascotas. Proteja del calor y evite que se congele. Guarde a una temperatura entre 40°F y 90°F. Mantenga el envase bien cerrado para evitar que se evapore. Si se produce un derrame, diluya con agua y enjuague.

Eliminación del envase: **Si está vacío:** Envase no rellenable. No vuelva a usar ni a rellenar este envase. Tirelo en la basura u ofrézcalo para reciclar, si existe esa opción. **Si está parcialmente vacío:** Llame a su servicio de eliminación de desechos para obtener instrucciones de eliminación. Nunca tire el producto sin usar por ningún drenaje interno ni externo.

— DECLARACIONES PREVENTIVAS —

Riesgos para los seres humanos y los animales domésticos

PRECAUCIÓN. Evite el contacto con los ojos, la piel o la ropa. Lávese muy bien con agua y jabón después de manipularlo y antes de comer, beber, masticar chicle, usar tabaco o usar el baño. El uso prolongado o reiterado con la piel puede causar reacciones alérgicas en algunas personas.

Primeros auxilios

Si entra en contacto con los ojos: Mantenga los ojos abiertos y enjuague con agua lentamente, con cuidado, durante 15 a 20 minutos. Si hay lentes de contacto, retírelos después de los primeros 5 minutos, luego continúe enjuagando los ojos. Llame a un centro de control de envenenamientos o a un médico para recibir instrucciones de tratamiento.

Si entra en contacto con la piel o la ropa: Quítese la ropa contaminada. Lave inmediatamente la piel con abundante agua durante 15 a 20 minutos. Llame a un centro de control de envenenamientos o a un médico para recibir instrucciones de tratamiento.

Cuando llame a un centro de control de envenenamientos o a un médico o intente obtener tratamiento, tenga a la mano el envase del producto. También puede llamar al 1-800-645-4957 para obtener tratamiento médico de urgencia.

NOTA: Hasta el grado que sea compatible con la legislación pertinente, el comprador asume toda la responsabilidad para seguridad y uso que no estén de acuerdo con las instrucciones.

¿Preguntas o comentarios? Llame al 1-800-645-4957.

STOP. Read entire label before use.

DIRECTIONS FOR USE

Shake well before using. Spray liberally on entire plant when weeds and grasses are actively growing. For best results, apply in full sun above 60°F. Do not allow spray to drip, splash or drift onto desirable vegetation. Reapply if regrowth appears. Do not apply this product if bees or other pollinators are foraging in the treatment area.

STORAGE AND DISPOSAL

Storage: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°F and 90°F. Keep container closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

Container Disposal: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **If partly filled:** Call your solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
